Olivet
A Liberal Arts College
Founded for the Advancement of
“Education With a Christian Purpose”

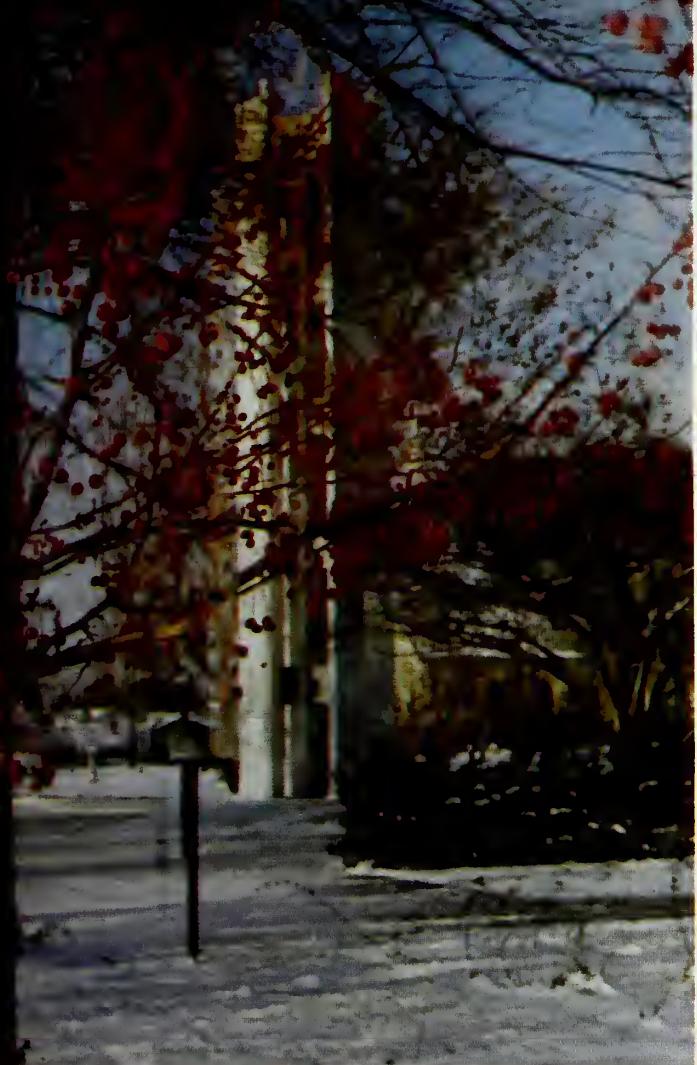

The People . . . 16

The Year . . . 120

Olivet —
a place of growth . . .

a vast coming together of
products all designed to further
our education . . .

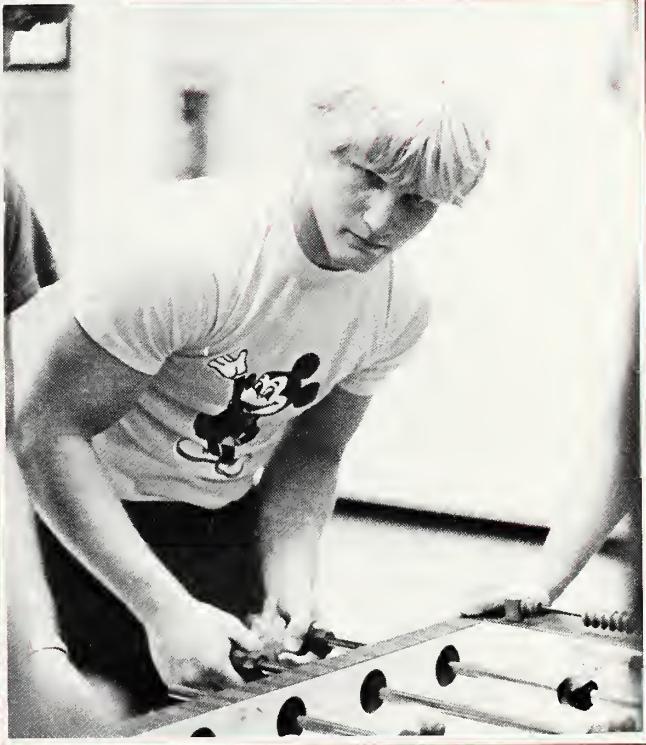

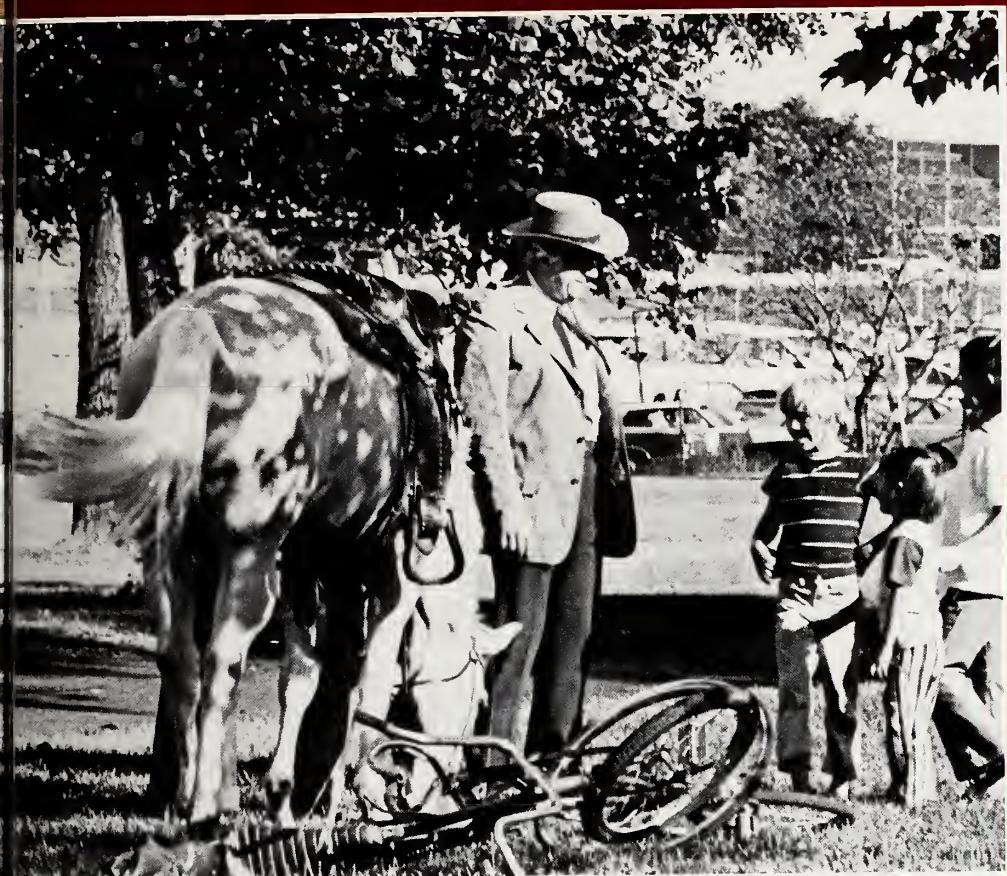

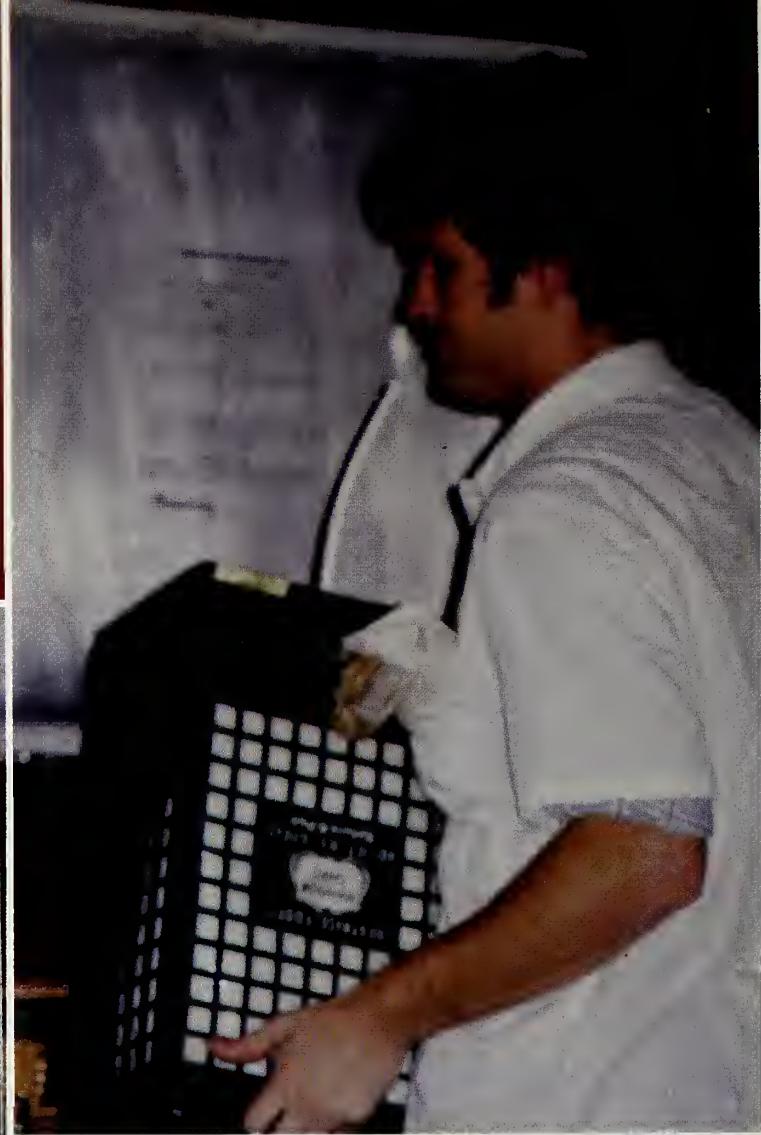

... raw materials
carefully formed and
fitted to provide
structures in which
to live, learn and
worship . . .

... a place where a unique gathering of individuals brings about a development of lifelong friendships . . .

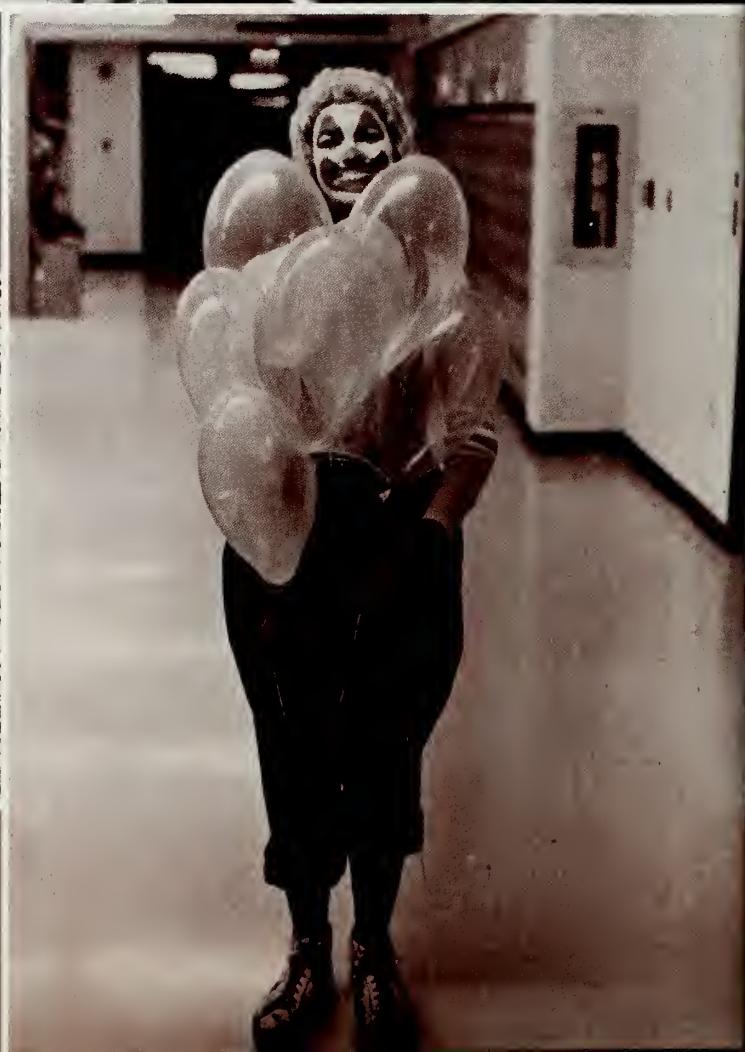

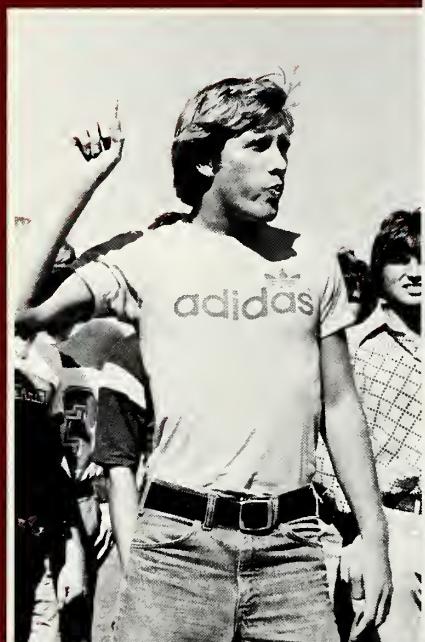

... each person contributing their different lifestyles, ideas about their society and relationships with God . . .

... and glean what is usable
and firm to build a foundation for
the learning process . . .

Olivet —
a place of growth . . .

. . . and yet, it doesn't end here . . .

Be still, and know that I am God

Psalm 46

God is our refuge and strength, a very present help in trouble.

Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea;

Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah.

There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High.

God is in the midst of her; she shall not be moved: God shall help her, and that right early.

The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted.

The Lord of hosts is with us; the God of Jacob is our refuge. Selah.

Come, behold the works of the Lord, what desolations he hath made in the earth.

He maketh wars to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire.

Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

The Lord of hosts is with us; the God of Jacob is our refuge. Selah.

He understands students and faculty alike — having been both, it's easy to relate, and he encourages open communication.

Football game, basketball tournament, board meeting, behind the vice-president's desk — always available, always concerned.

He's fought many of our battles, a stabilizing force for the Olivet community, and always for what he believes in for the good of the college.

We respect him — and not only those of us of the college, but throughout the Nazarene denomination as well. Administrator, outstanding layman, educator —

we dedicate the 1978 AURORA
to you, Dr. Willis Snowbarger.

Reflections On Psalm 103

Oh how I praise You Lord, You who have created
the darting bumblebee,
the dance of a butterfly,
and the inquisitive way of a sparrow.

Lord, I gratefully and affectionately
bless Your name
and earnestly give thanks for
granting me salvation and redemption.

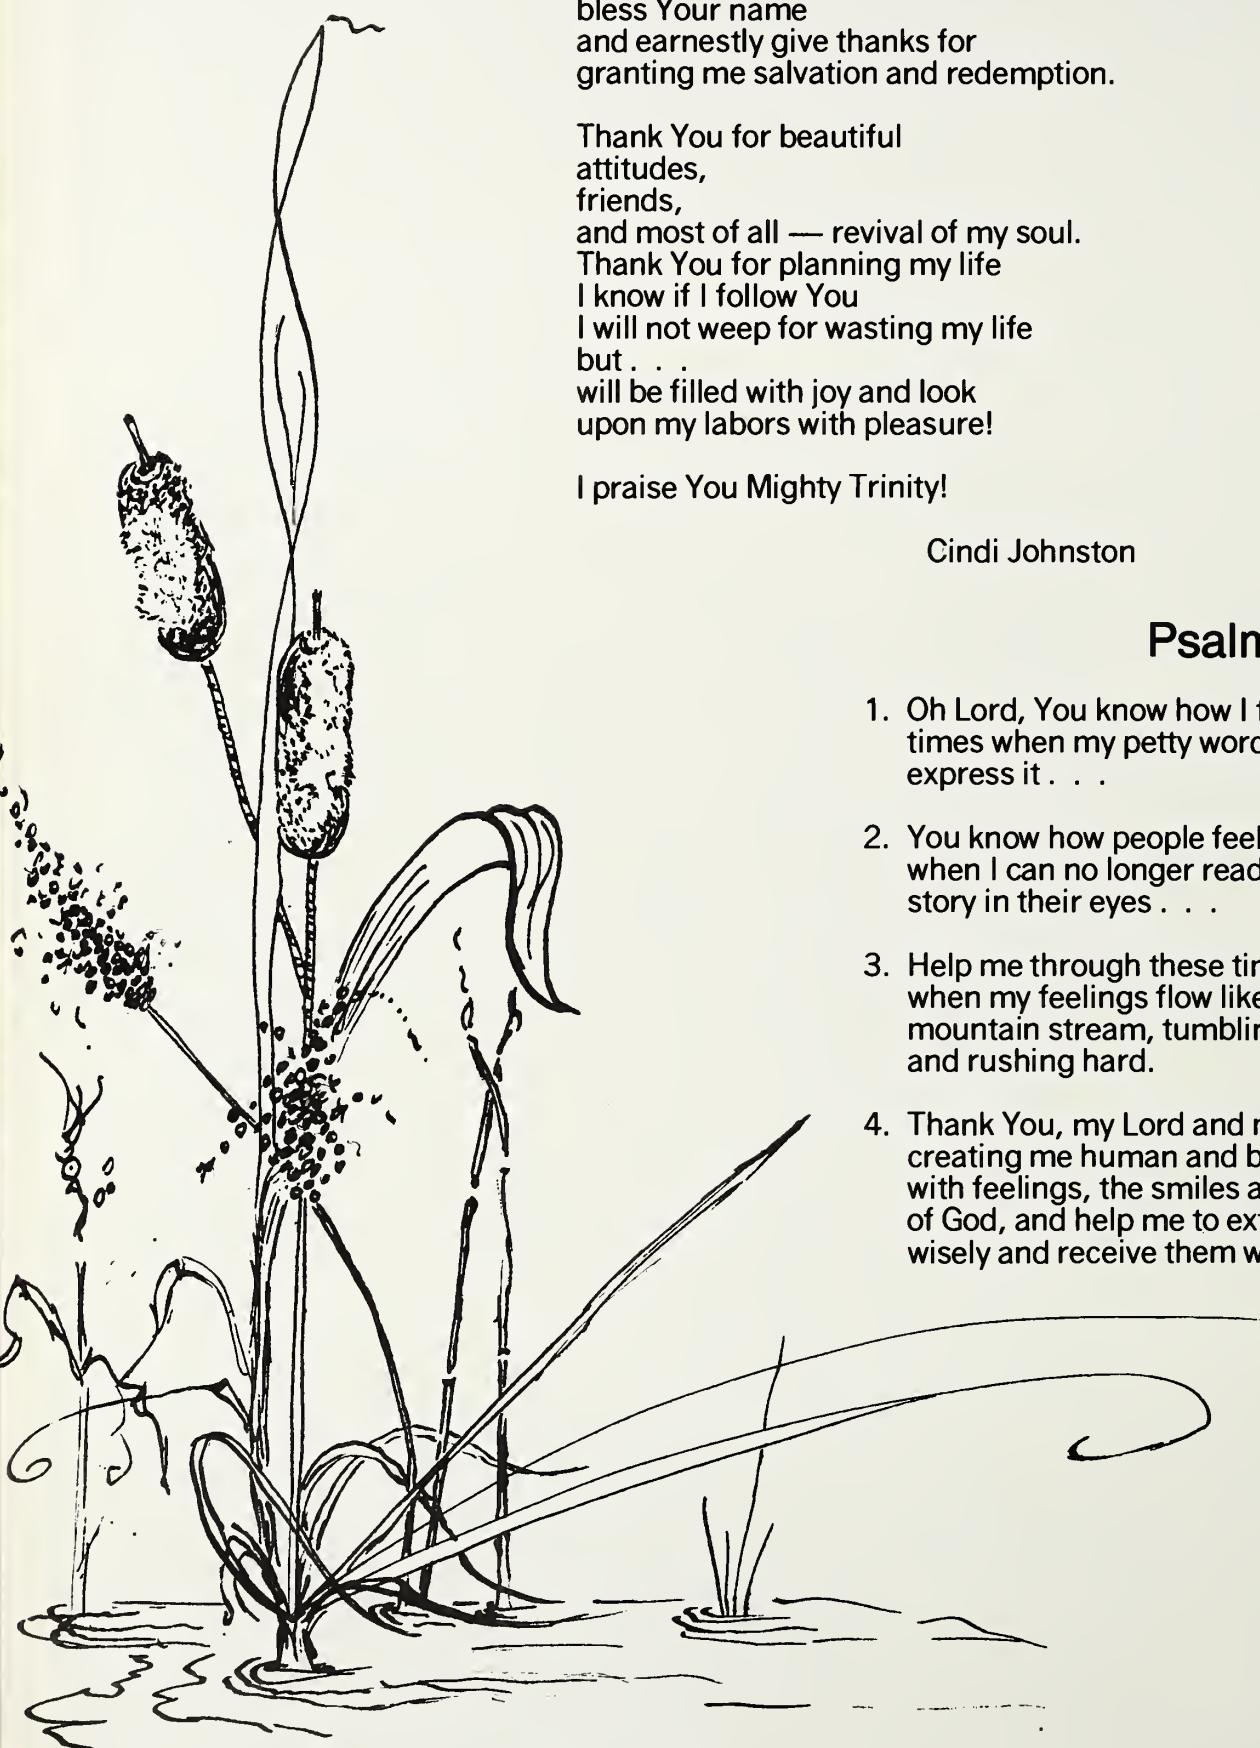

Thank You for beautiful
attitudes,
friends,
and most of all — revival of my soul.
Thank You for planning my life
I know if I follow You
I will not weep for wasting my life
but . . .
will be filled with joy and look
upon my labors with pleasure!

I praise You Mighty Trinity!

Cindi Johnston

Psalm 01

1. Oh Lord, You know how I feel at times when my petty words cannot express it . . .
2. You know how people feel about me when I can no longer read the story in their eyes . . .
3. Help me through these times, Lord, when my feelings flow like a clear mountain stream, tumbling fast and rushing hard.
4. Thank You, my Lord and my God, for creating me human and blessing me with feelings, the smiles and tears of God, and help me to extend them wisely and receive them with strength. Amen.

Begin anew
As a child
Learning to walk
Grow in the promise
The dawn brings.

Take each new step
Slowly, carefully
For that step
Cannot be recalled.

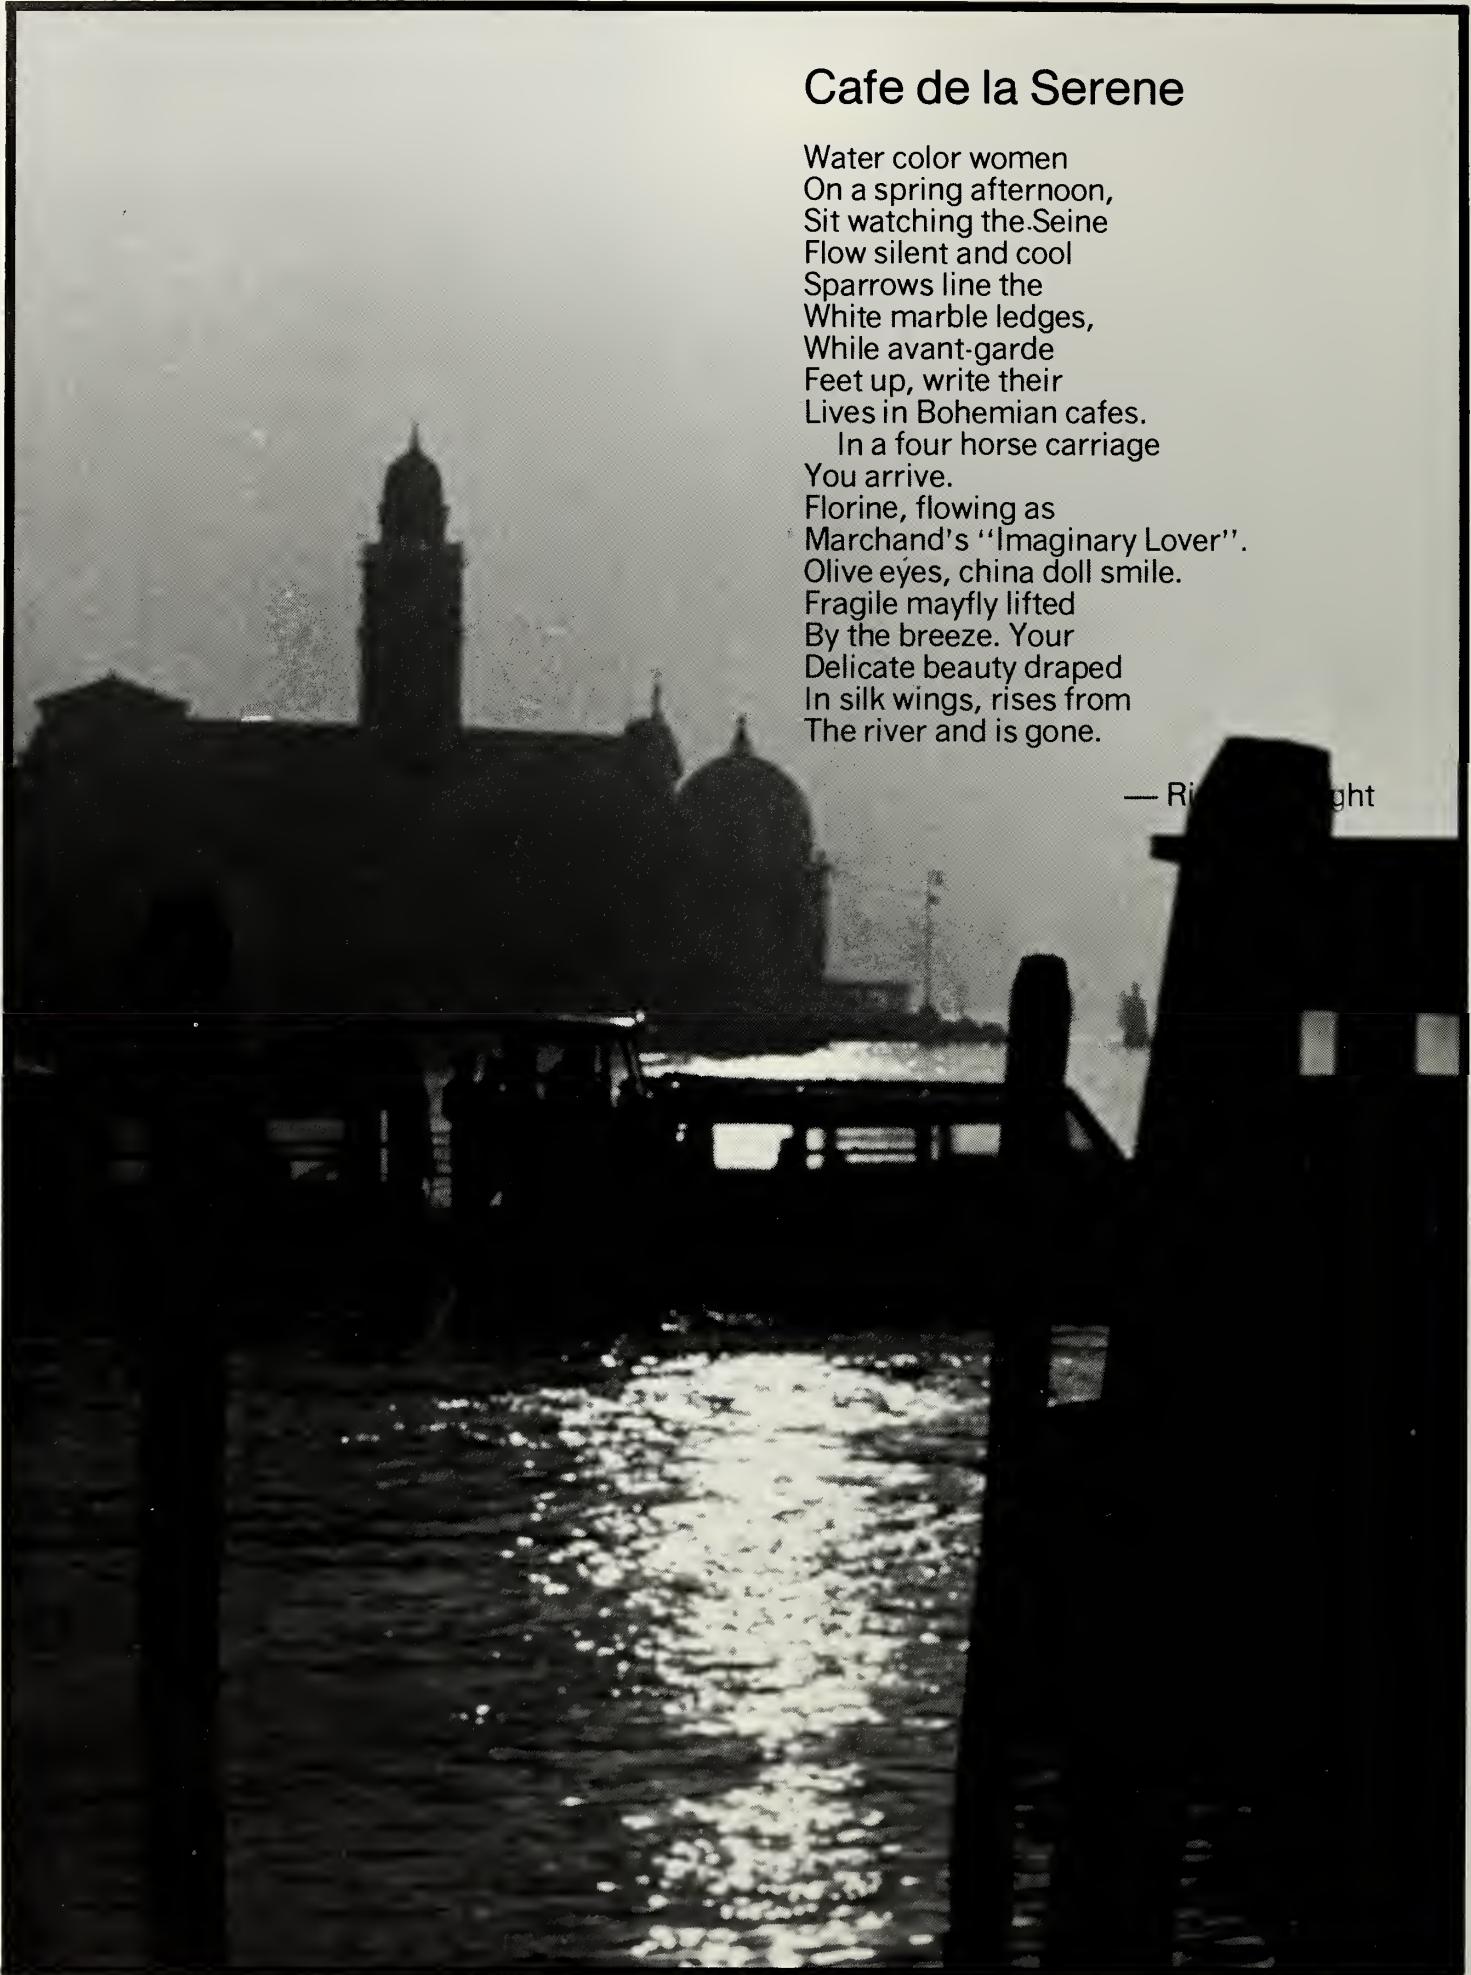

Dare to be yourself.
Dream of what you can be.
Then make that dream come true.

Take joy from the beauty of nature.
Take strength from the rays of the sun.
Take love from those you give it.
Take power from the hands of God.

Cafe de la Serene

Water color women
On a spring afternoon,
Sit watching the Seine
Flow silent and cool
Sparrows line the
White marble ledges,
While avant-garde
Feet up, write their
Lives in Bohemian cafes.
In a four horse carriage
You arrive.
Florine, flowing as
Marchand's "Imaginary Lover".
Olive eyes, china doll smile.
Fragile mayfly lifted
By the breeze. Your
Delicate beauty draped
In silk wings, rises from
The river and is gone.

The Farmer

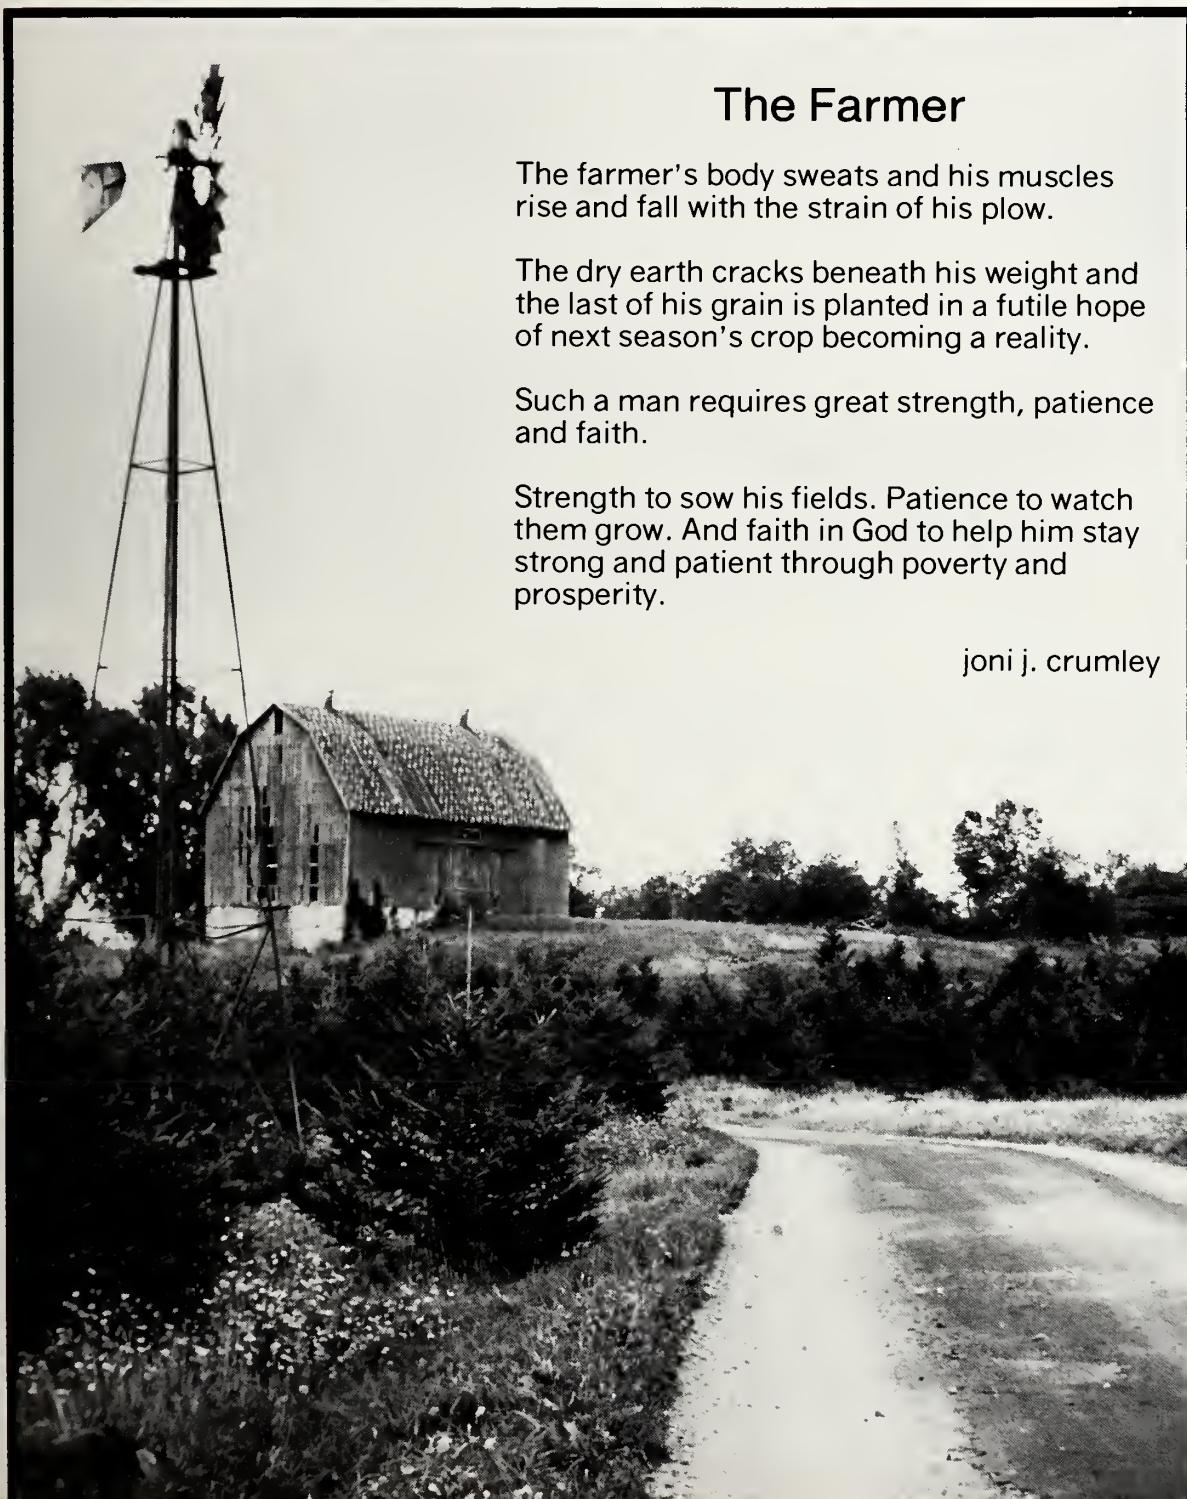

The farmer's body sweats and his muscles
rise and fall with the strain of his plow.

The dry earth cracks beneath his weight and
the last of his grain is planted in a futile hope
of next season's crop becoming a reality.

Such a man requires great strength, patience
and faith.

Strength to sow his fields. Patience to watch
them grow. And faith in God to help him stay
strong and patient through poverty and
prosperity.

Where has time gone?
It hurries so.
We barely have begun to share
And now it's time to go.

And so we say "good-bye"
To those we dare call "friends";
We find our peace in this one thought:
We'll see them soon again.

The memories we will cherish.
They're a part of us now . . .
a part we can't forget.
And so we cling to them —
uncertain of our futures
But certain that the past
has become a vital part
of our lives.

The hurts
the joys
the disappointments
the tears
the laughter
the pain . . .

All have made us more aware of others,
But most of all —
more certain about ourselves
and what we stand for
and believe in
and care about.

And so we find . . . that time is our friend.

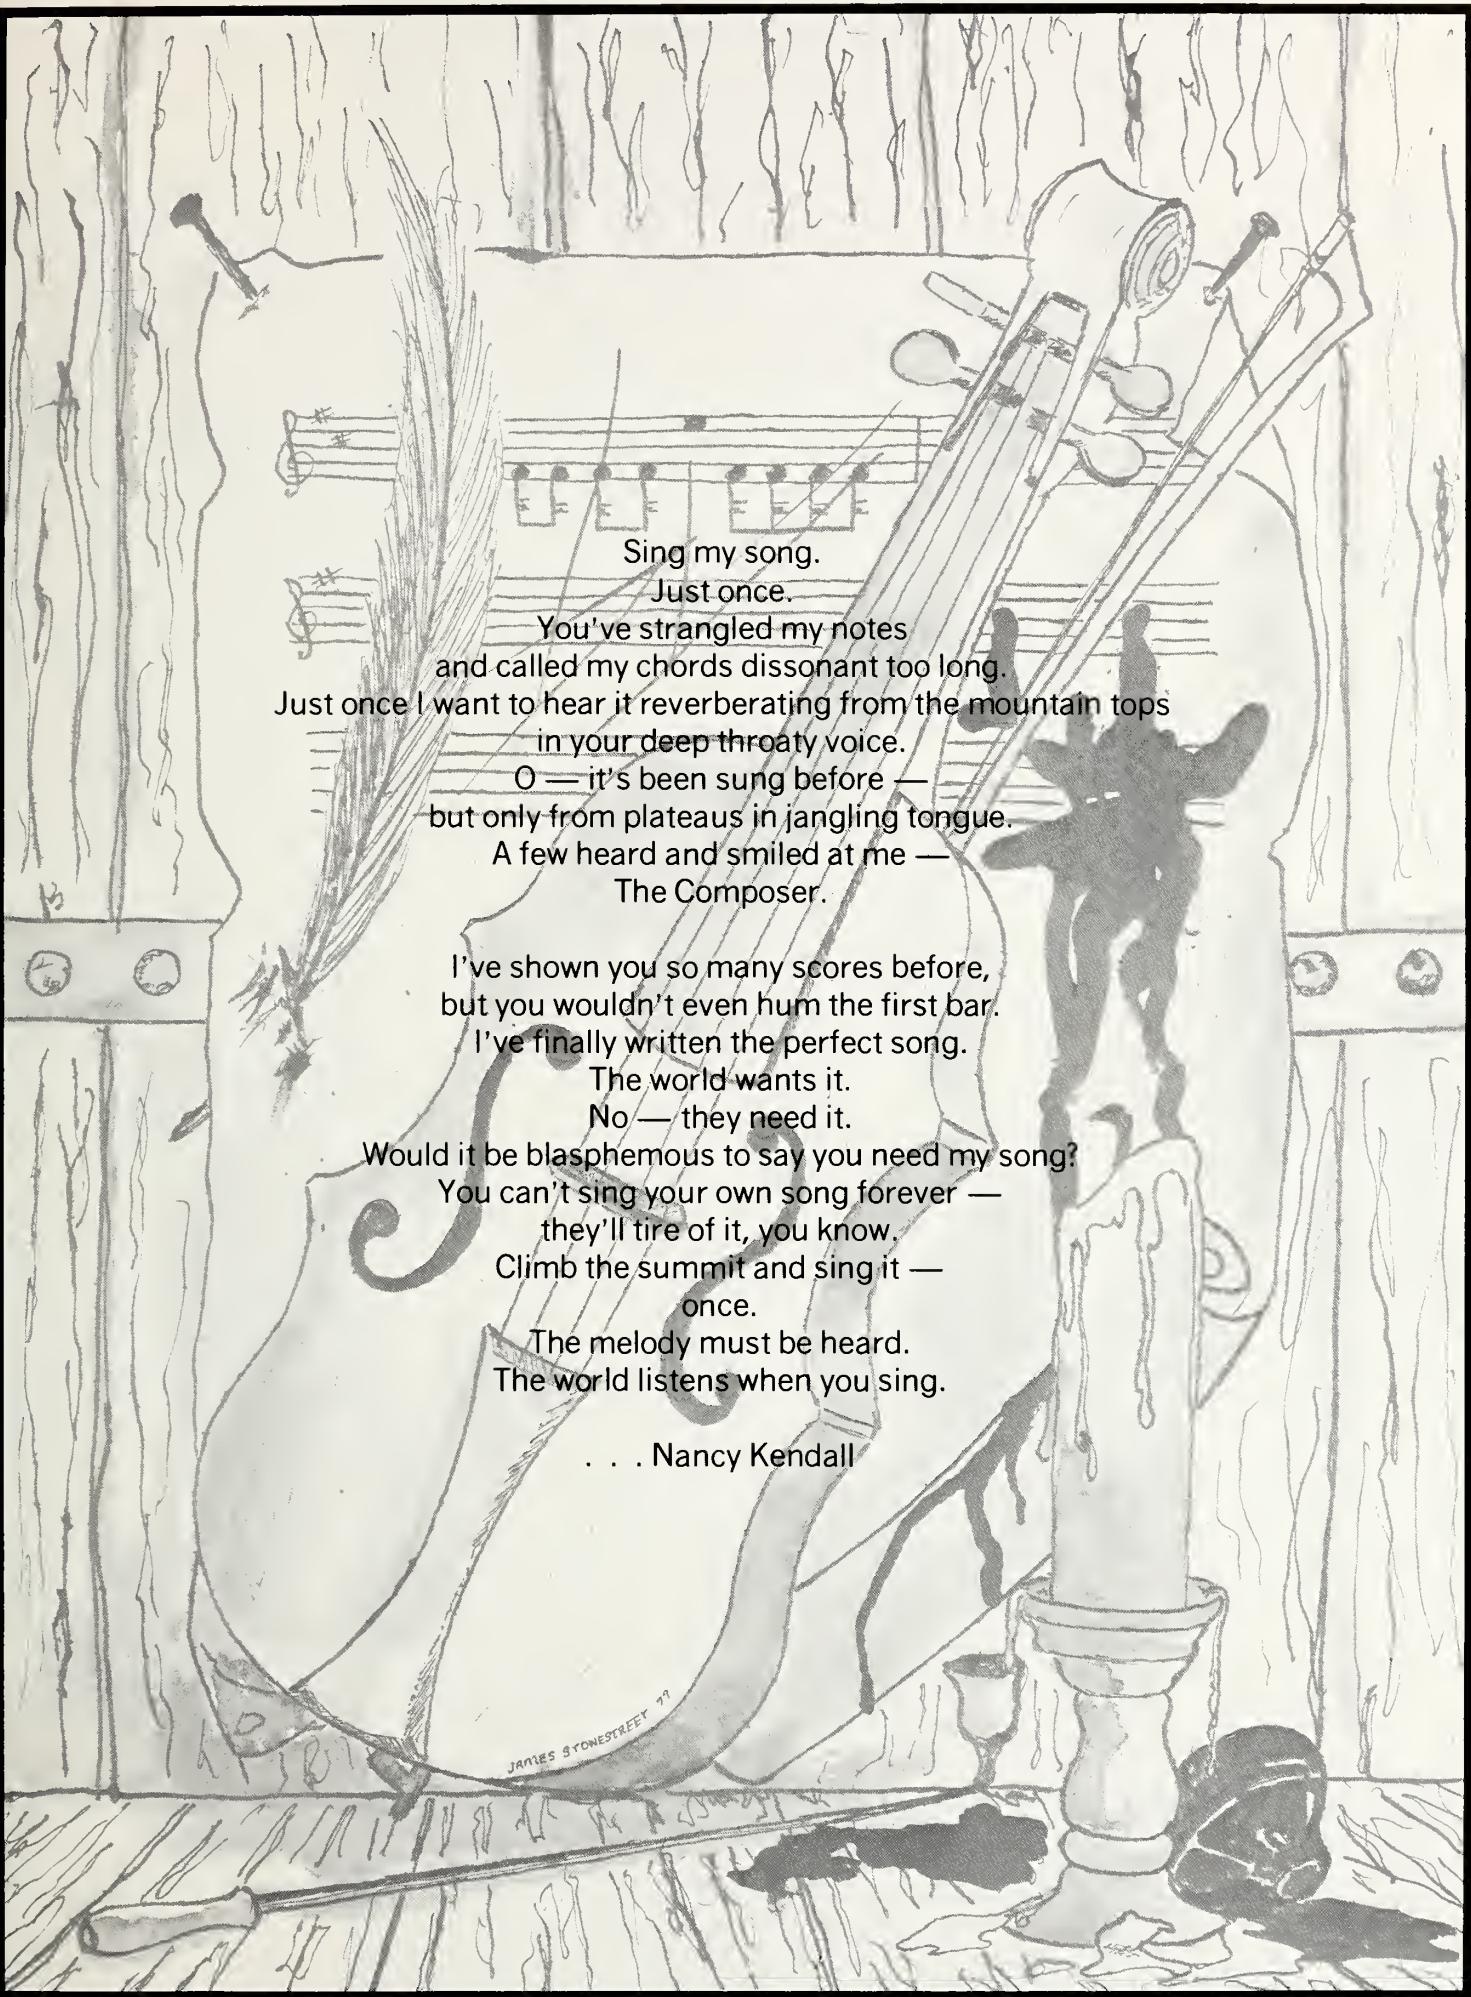

Pam Ford

"The world has lived without beauty
long enough," the painter mused . . .
the canvas was so empty,
white —
as the painter began.

First,
with baby blue,
and bright yellow, a star in the sky.
Then,
the green of youth,
tinged with golden wisdom —
the grey of a storm-tossed sea,
the silvery glow of fish
entwined in nets . . .
pink, of life and health returned.
the sand ochres of a desert
wilderness,
mustard, of faith —
slate, the color of young donkeys . . .
purple, of velvet royalty,
and reds —
red, the intense hue of wine,
red, the shocking brightness of
blood —
brown, of scarred wood,
blackness,
of suffering and despair.
White —
of clean folded linens.

The painter presented his work,
and they
of the world
saw no form in it, no beauty —
only reds, yellows,
browns, greens.
But a very few
beheld its magnificence
and acclaimed the painter
and his work —
its love, its compassion,
its truth, its pain.
Have you seen the Masterpiece?

Bonnie Greene

Sing my song.

Just once.

You've strangled my notes
and called my chords dissonant too long.

Just once I want to hear it reverberating from the mountain tops
in your deep throaty voice.

O — it's been sung before —
but only from plateaus in jangling tongue.

A few heard and smiled at me —
The Composer.

I've shown you so many scores before,
but you wouldn't even hum the first bar.

I've finally written the perfect song.

The world wants it.

No — they need it.

Would it be blasphemous to say you need my song?

You can't sing your own song forever —
they'll tire of it, you know.

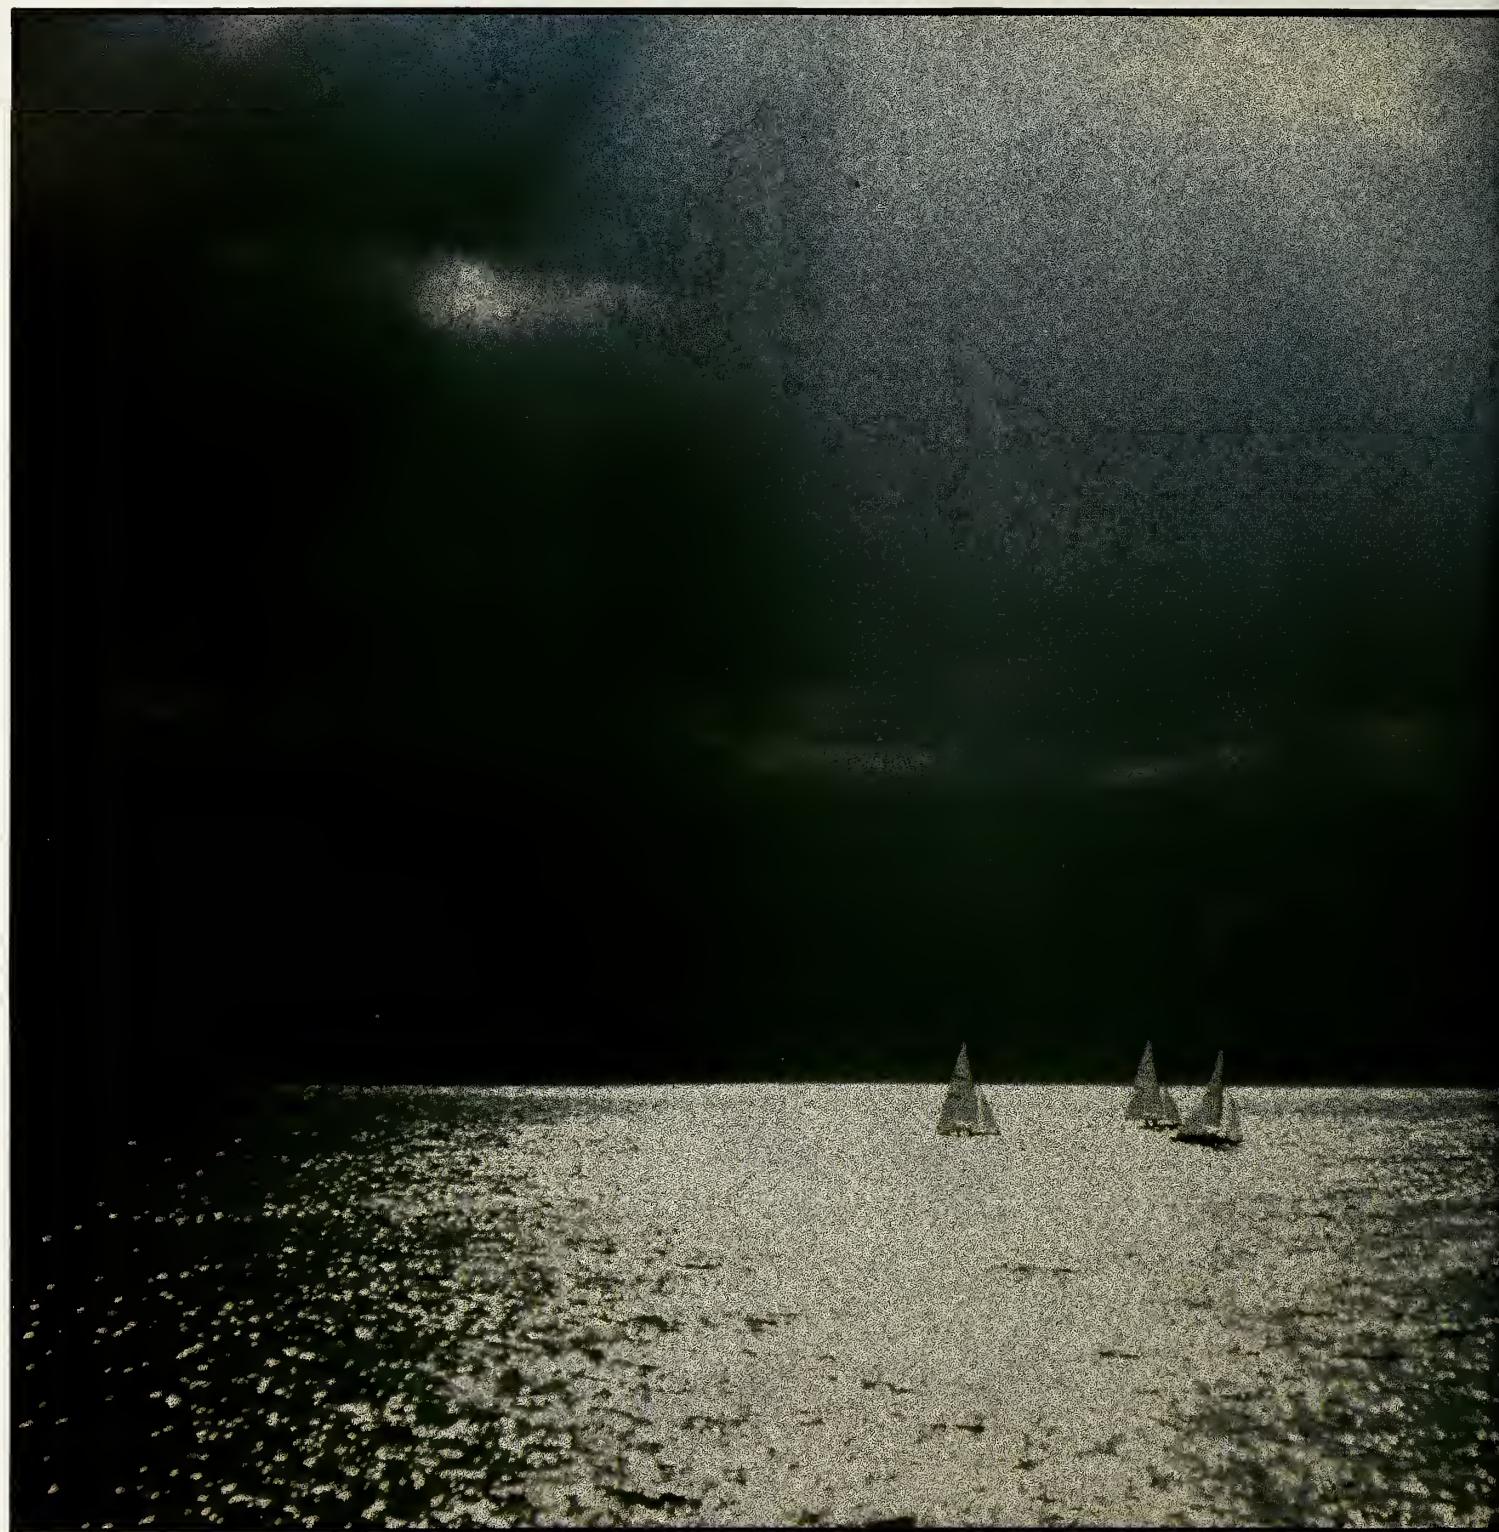

Climb the summit and sing it —
once.

The melody must be heard.

The world listens when you sing.

Homecoming Parade

A

The Homecoming parade, with the theme "A Mission of Excellence," was without a doubt one of the most colorful yet. The route from Kankakee First Church to the campus was shortened, but the parade held all of the excitement and laughter which has become a tradition associated with the procession. Plenty of clowns were on hand to entertain the audience, despite the sub-freezing temperatures. The cold didn't dampen the happy spirits, however, especially for the Junior Class, which took Grand Prize, Senior Class, which received first prize, and Business Club, which received the club prize.

Homecoming Play

The play, "A Man for All Seasons," sponsored by the Speech Department, was a successful part of the Homecoming activities. The production, based on the martyred life of Sir Thomas More, added a different dimension to the traditional Homecoming play with its seriousness and its moral message. Under the direction of Debbie Salter, and with Daniel Behr as Sir Thomas More, the play truly portrayed the life of the man for all seasons who gave his life for what he believed.

The theme of "A Mission of Excellence" of Homecoming 1977 was certainly exhibited in the several concerts of the featured week-end. On Friday evening, Olivet's choirs and concert band combined for an evening of sacred music, with all four groups joining together for the finale. At the concert, Olivet's "O" award for the outstanding alumni was presented to Professor Curtis Brady by the Alumni Association. On Saturday night, Concert Singers and the Olivet orchestra presented an evening of popular music entitled "Homecoming Goes Pops", a unique addition to the concert program. The music was fun and the atmosphere was casual and enjoyable. All in all, the musical weekend provided another mode of excellence.

The Spirit of Christmas Surrounds Olivet

Much could be said of the way the Olivet Family gets into the Spirit of Christmas. Not long after the snow flies and Kankakee merchants fill their display windows with Christmas trimmings, students, faculty and staff busily prepare for the upcoming events. From snowball throwing and gift-giving to decorating dorms and producing a play, everyone gets into the action. The Christmas program, sponsored by the Social Committee headed by Steve Johnson, was certainly one of the highlights of the Christmas season. After a delicious dinner prepared by Saga, entertainment was provided through the play "Mr. Scrooge" under the direction of Keith Anderson and Randy Dennis. Enjoyed by all, Christmas is especially a time for thanks and reflection for Olivet as the true Spirit of Christmas means the Supreme and eternal gift of salvation.

Opening Revival

In accordance with the spiritual emphasis of Olivet, the opening week-end revival of Sept. 9-11 prepared the minds and emotions of the students toward education with a Christian purpose. With the wit and wisdom of evangelist Lenny Wisehart, and the mellow message in song of David and Dana Blue, the fall semester was off to a thoughtful and productive beginning.

Fall Revival

The fall revival here at Olivet is a very special time for students, faculty, and staff alike. It is a time of spiritual "closet cleaning" — taking inventory of time, talents, and the true values of living. The week of October 25-30 was just such a time, featuring Elmer Schmelzenbach, a giant in Nazarene mission work, and our own Ray Moore leading the special music. The revival provided a needed break in the semester as a time of spiritual renewal.

Ollies Class Follies

B

C

F

The tradition of academic excellence at Olivet is proven every fall by an exercise in social adjustment called Ollie's Follies. The social committee plans many self-actualizing tests such as the human pyramid, bathtub stuff, rousing root beer race, and the ever-popular watermelon seed-spitting contest. The classes continue competing in the evening with the talent and skit shows, and the jolly jovial joyous jello swallow. The evening's emcees were Deb Lucas and Wayne Lambert. This year the Sophomore and Freshman classes tied for last place. The super Seniors scored second, and last, but not least, the Juniors finished first.

Olivet stresses the value of the economy in the lives of the students by going down memory lane back to the time when men were men, and women were sold. This year the annual slave sale raked in a record-breaking bid of \$111.00. Entertainment was provided by The Burchfields, and the sale was co-emceed by the shy Dave Watson and Brooksie Hancock.

The Halloween Party this year was a fantastic fright-fest, as the Junior class constructed a happily horrifying haunted house. The usual favorite personalities of Dracula, the Hunchback, the Mummy, and Death warmed over were all there. This year they were joined by double amputees, shooting victims, suicides, and biology professors; the monstrous make-up was done by Scott Austin and Nancy Kendall. Alfred Hitchcock's classic suspense thriller "Psycho" was part of the entertainment for the evening. The audience was kept on the edge of its seat wondering when the murderer would strike next, wondering if the beautiful young woman would be his next victim, and wondering what was hidden in the mysterious old house. The evening was one long to be remembered, especially on dark rainy nights.

Club Day

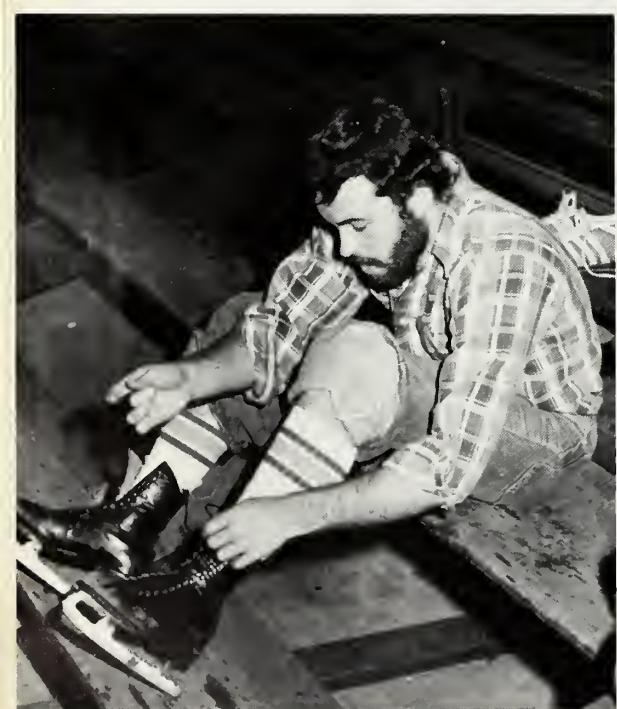

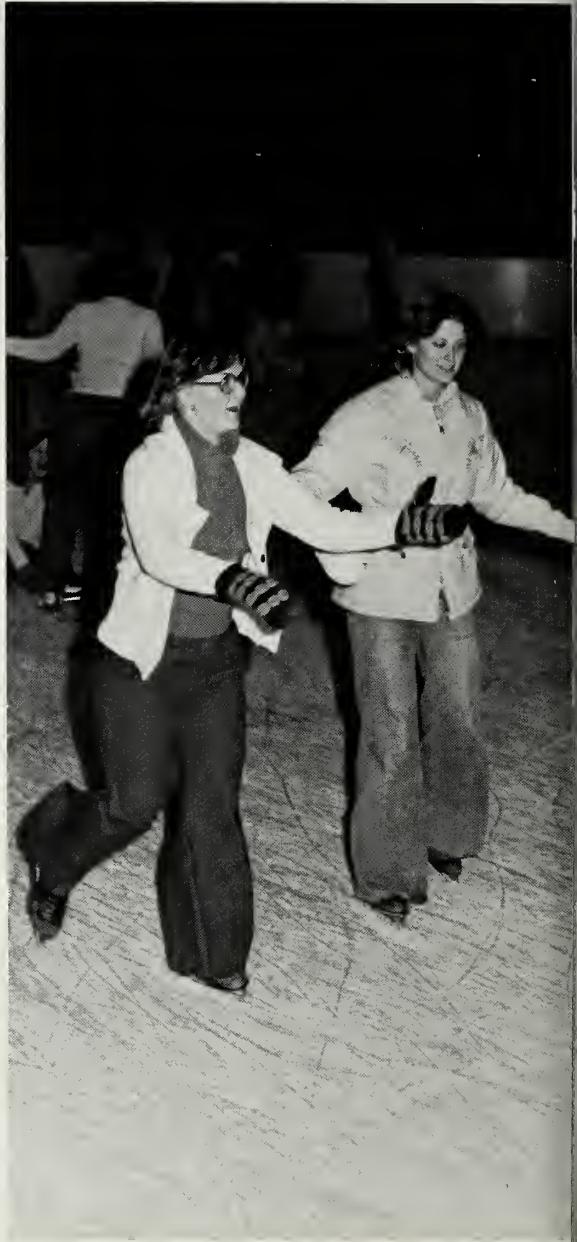

Club Day is definitely a day in which to get involved! All of the organizations on Olivet's campus set up displays and promote the purposes and ideals behind their various clubs, and offer memberships to all those interested and willing to become active participants. Ideas for club and organizational activities are made known in hopes that their appeal, whether as a service club, a social club, or even an interest club, will attract new members.

Ice Skating Party

On January 14, 1978, the Social Committee, headed by Steve Johnson, sponsored an all-school ice skating party at the Kankakee Ice Arena. After Mrs. Lee opened with prayer, Steve Johnson emceed the evening, featuring special skating sessions such as couples, turnabouts, and males and females only. The aching group returned to Williams Lounge for hot chocolate and roasting marshmallows to top off an evening of fun.

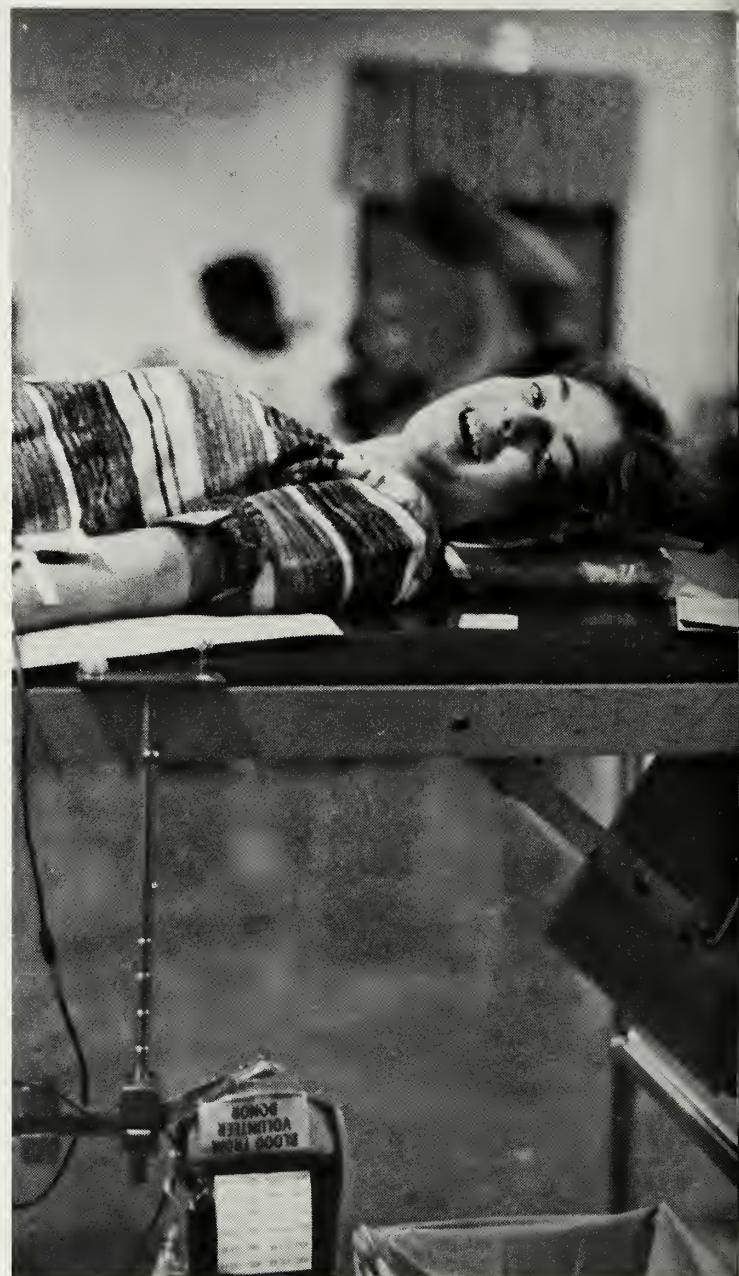

MRA Presents — Donkey Basketball

Take several typical donkeys (typical meaning "stubborn"), add willing but doubtful faculty members, and half of MRA. Put them all in a gymnasium full of fun-loving fans and mix well. The result? A hilarious evening of donkey basketball, sponsored by the MRA council. Donkey basketball is an emerging tradition here at Olivet, for everyone enjoys a good laugh when it involves a hapless faculty and headstrong mules.

Circle K Exceeds Goal for Blood Drive

One of the unique events at Olivet is a giving-living experience: supporting life through the donation of blood at the Red Cross drive. Sponsored by Circle K, a service organization, in conjunction with the Kankakee Red Cross, almost 160 pints of blood were collected, surpassing the goal of 150, for the life-sustaining process.

N.R.A. Stretches Their Imagination With Taffy Pull for Twirp Week

With hands greased well with butter, couples participating in the WRA-sponsored Twirp Week activity experienced the joys of an old-fashioned taffy pull. During Twirp Week, scheduled once a semester, the girls learn first hand the joys and woes of the dating game and the many activities sponsored provide ample opportunities for "turnabout is fair play."

E. A romantic night in Chicago

Friday, February 17, 1978, was truly "A Night to Remember," as 62 couples traveled to the famed Conrad Hilton Hotel in downtown Chicago for the annual Valentine's Banquet. Sponsored by the Social Committee, the Banquet is an anticipated highlight of the spring semester. With fine food, and excellent entertainment provided by Steve and Maria Gardner, the Banquet again met high expectations which were enhanced by the romantic mood. Jan Brodien and Steve Harris were chosen by the attending couples as the Sweetheart Couple, and the announcement of thirteen engagements brought the special evening to a perfect end.

Stephen Nielson, the artist-in-residence at Olivet, has definitely brought a "touch of class" to the Olivet community through his special concerts with famed concert artists. The first of these concerts featured Mr. Nielson and Mr. Arnold Brostoff on September 30, 1977. Mr. Brostoff is principal second violinist with the famed Chicago Symphony Orchestra. The two artists captivated the audience with violin and piano works from Schubert, Beethoven, and Brahms.

On March 3, 1978, Mr. Nielson was joined by the celebrated young cellist from Germany, Christoph Henkel. Mr. Henkel has distinguished playing to his credit in the major music centers and concert halls of the world. The concert selections included works of Bach, Britten, De Falla, and Beethoven.

In the third concert of this spectacular season of classical music, Mr. Nielson and Mr. Brostoff again joined forces, with the addition of several members of the world-famous Chicago Symphony Orchestra in a special musical event on the Olivet Campus on April 21, 1978, featuring a Mendelssohn Concerto.

Imperials Sing

The Imperials, a gospel quartet known across the nation for their warm and enthusiastic music, appeared before the Olivet audience on Tuesday night, February 28. They presented a two hour concert of inspiring music with a dynamic Christian message. The group has been together for 10 years and in 1976 their "No Shortage" album won a Grammy Award.

Archers

The Archers are a contemporary trio combining religion and rock to produce upbeat music with a vital Christian message. The two brothers and sister who make up the vocal trio have been together for eight years, and have experienced popularity with young people on the west coast, and their popularity is spreading. Sponsored by WRA on February 1, the Archers delighted the audience in Chalfant hall with brisk, crowd-pleasing numbers which spoke to the heart.

After Dinner Players Present Warm Drama

Sponsored by the Culture Series, the messages prepared by the After Dinner Players proved to be more than the usual entertainment. Instructed by esteemed actress Jnette Clift, their workshops, seminars and performances given all across the nation and overseas, portrays Christ through the unique and effective tool of Christian drama. They instilled in the minds of their audience an awareness of God's love and direction of His will for our lives in the area of witnessing.

Comedy and Music Presented By Jeremiah People

The Jeremiah People, taking their name from the prophet Jeremiah, have a unique message for their audience through fine music and witty drama. The message is that we as Christians need to turn away from our religious righteousness and let Christ be revealed through our lives. Not an easy message, and yet the Jeremiah People are able to make us laugh at ourselves through their comedy and enforce the reality through song. Sponsored by the Social Committee, the Jeremiah People reveal the reflection of what we often are and the image of what we can be through Christ.

Living Sound

"Living Sound," sponsored by Spiritual Life, brought a talented group of young people to Chalfant Hall on February 7, 1978. The group consisting of five vocalists and four instrumentalists, is one of four "Living Sound" groups traveling the world ministering their message in song.

The Hawaiians

The Hawaiians, sponsored by the Concert Band, provided Olivet with an exciting evening of musical excellence. The native Hawaiian duo's tasteful interpretations of traditional and contemporary hymns reflected the warmth and sincerity of their message. Well-known in religious circles, they have produced several albums which have earned them a reputation as dedicated, highly talented musicians.

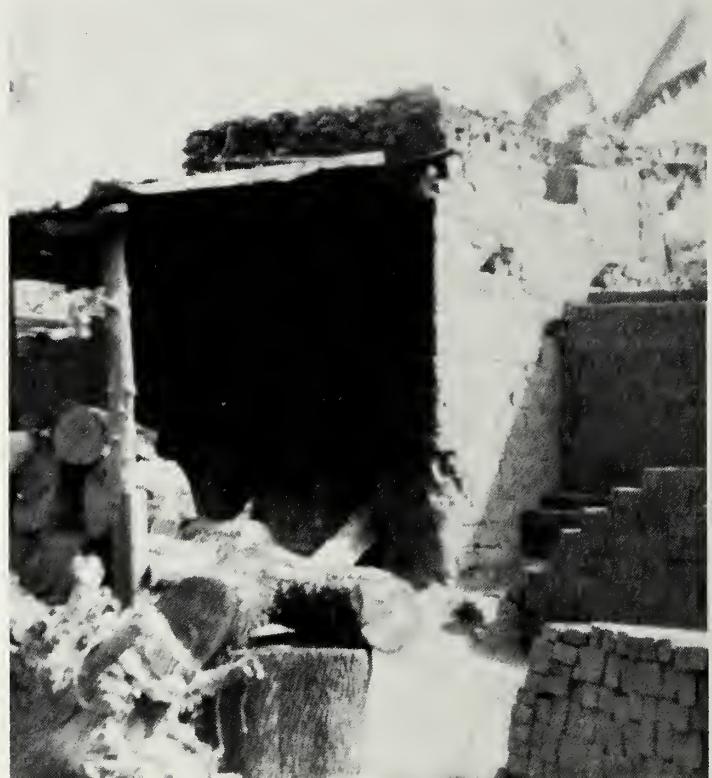

Truth

Without a doubt, one of the favorite events on the Olivet campus is the coming of TRUTH, one of the most exciting religious groups around today. On Monday, October 3, the tradition continued as the Viking Male Chorus sponsored TRUTH, under the capable direction of Roger Breland. The penetrating power of their tight vocals and instrumentals present an exciting picture of today's religious rock — music for now with a message that's forever. And that's the TRUTH.

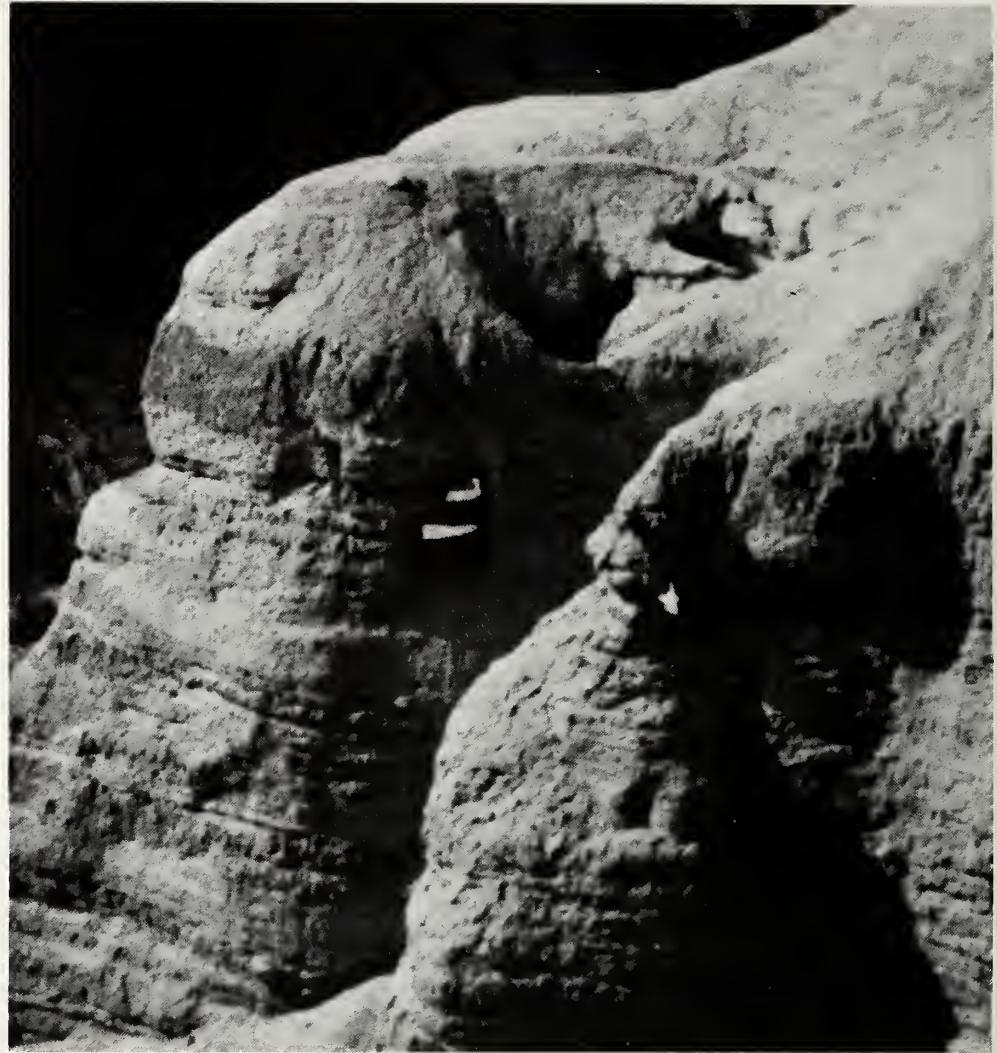

On January 17, a group of nine students and four faculty members traveled to Guatemala for a "tour class" titled Nutrition in Guatemala. Sponsor Dr. Hayes was accompanied by Dr. and Mrs. Strickler and Mrs. Greenwalt. The group toured the countryside, traveling some 1100 miles within the country itself, guided by two missionaries Harold Ray and David McCullough. They viewed typical Guatemala, visiting hospitals, clinics, with an emphasis on the nutrition of the country. According to one traveler, the experience was very challenging to see people with so little, so very happy. The group visited Nazarene churches, singing and testifying with hearts full of thanksgiving for the many ways God has blessed them.

Spain and Guatemala

During interim this year eleven Spanish majors and minors took a trip to Spain to learn more about the languages and culture of that country. They saw many fantastic and unusual things, from palaces and cathedrals, to flea markets and old hotels.

Interim studies at Olivet were not limited to the classroom. On January 3 through 13, a group of over 20 students and faculty went to the holy lands with Prof. Ken Hendrick and his wife. The tour began in London, then continued on into Israel and Egypt. Among some of the historical sights taken in were the Sea of Galilee, Petra, Golgotha, the Great Pyramids, and the Garden of Gethsemane. The tour was a very worthwhile learning experience, both culturally and spiritually.

Holy Land Tour

SPORTS

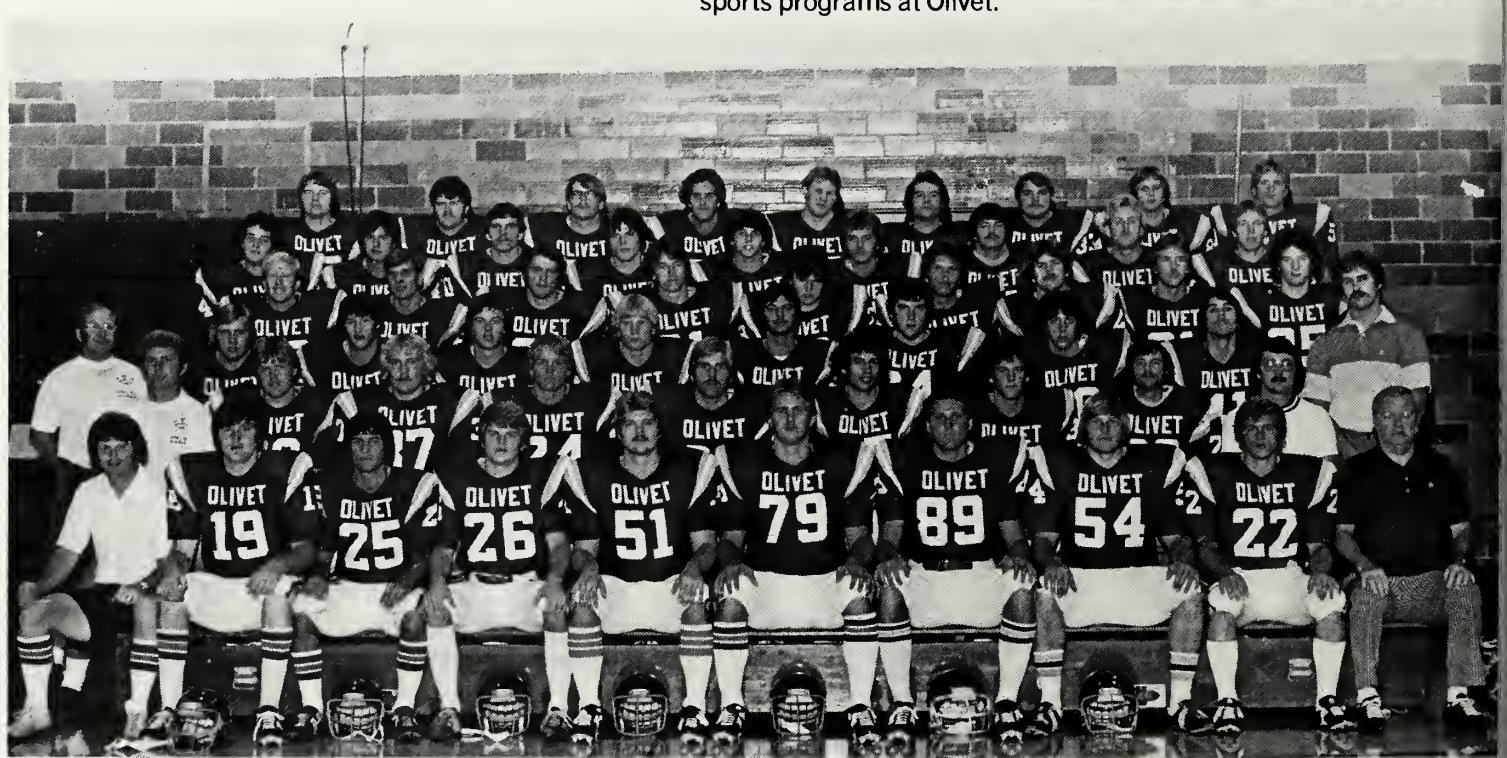

With the savor of success still fresh in their minds, the Olivet Tigers began their second season of intercollegiate football with high expectations. The season, however, played the part of fate, and yielded the young team a disappointing 2-5 record, quite a difference from their novice year's 4-2-1. But the final scores were not indicative of performance, both of the team itself and many individual efforts.

The season opener, a home game against NAIA second-ranked Eureka, provided the team their first disappointment, 0-14. Olivet scored its first two touchdowns in its second game against Milton College, ranked first in the NAIA, but was overpowered by Milton, 32-16. The Tigers dropped two heartbreakers against Maranatha, 0-3, and Lakeland, 8-9, in the wintry Wisconsin wilds, battling not only the teams, but the poor weather conditions as well. Then, the Tigers came back for the home crowd, winning a much-deserved victory against Concordia, 20-14, while still fighting the bone-chilling winds and freezing rains which never seemed to daunt the Tiger spirit of the fans. Pitted against one of last year's formidable opponents, Rose-Hulman, in the sixth game of the season, O.N.C. managed 15 points, but they were not enough for the 23 of the Hulman offense. In Olivet's final game, on the "home" field of Bishop McNamara, the Tigers delivered a definite victory against Iowa Wesleyan, 14-0, a contest which showed the Tiger team to be undefeated by defeat, and to leave the fans with the promise of better things to come in the 1978-79 gridiron season.

The Tigers gained a total of 742 yards in the air, and 896 hard-fought yards rushing for a total of 1,638 yards, averaging 234 yards per game. Roger "Tank" Davis, a sophomore tailback, was the leading ground gainer with 392 yards, averaging 3.29 yards per carry. Jeff Habedank, a freshman quarterback, was the leader in the air, passing for a total of 544 yards and averaging 77.7 yards per game.

Olivet will lose by graduation three players whose strength and determination were notable assets to the team: John Rattle, Fred Ruzich, and Jody Biscoe. The captains for this year's squad were Gary Berry, Fred Ruzich, and Jess Soulia, whose leadership both on and off the field proved to be a stabilizing force to the Tiger team.

With the return of the majority of the players, and a promise of several fresh young talents, combined with the security of the football program itself, as was decided by the Board of Trustees of Olivet, the 1978-79 season will be Tiger power at its best, backed by the traditional spirit of determination which goes hand in hand with all sports programs at Olivet.

The 1977-78 season was head coach Frank Wilson's second year at the helm of Tiger basketball, and what a year it proved to be! Veteran strength, as well as some pleasant surprises from freshmen players, earned the Tiger team a respected reputation, both with the fans and the other teams in the conference.

The Tigers finished the season with an impressive second place in the National Christian College tournament in Chattanooga, Tennessee. After gaining top seed in the tournament, Olivet advanced to the final game by beating Northwest Nazarene, 68-64, but succumbed to the superior strength and added height of Biola College of California, 60-48.

Nevertheless, the Tiger team was a team of which to be proud, boasting four seniors in the starting line-up: Sam Harris, Steve Harris, Dennis Followell, and Gerald Stegall. These fine young men not only proved their excellence in the game itself, but also contributed maturity, leadership, and a strong sense of responsibility.

In regular season play, the Tigers finished with a 24-9 record. Steve Harris lead the team in scoring, averaging 15.2 points per game, followed closely by his brother Sam (14.9), Gerald Stegall (13.4), and Dave Brotheridge (11.4).

Denny Followell provided strong defense at center, averaging 10 rebounds a game, and placing fourth in the NIIC in rebounding. Sam Harris placed first in the NIIC in field goal shooting, with 63%, while Steve placed third in foul shooting with 85%. As a team, the Tigers hit 73% of their foul shots, and only allowed their opponents 67.8 points per game to O.N.C.'s 80 points per game.

Next year's team will be a young team, with several valuable players returning, both varsity and junior varsity.

The one returning starter is Dave Brotheridge, whose experience will add depth to the starting line-up.

Soccer's Second O.N.C. Season

Soccer at Olivet is now under the direction of Coach A. Lilienthal, who returned to ONC's campus from teaching in Europe at the European Bible College.

Even though the season ended with a record of 3-2, the team gained experience needed as a prelude to becoming an intercollegiate sport next fall.

The ONC wrestling team wound up the 77-78 season with a 8-2 dual meet record and one tournament win (NCCAA Regionals).

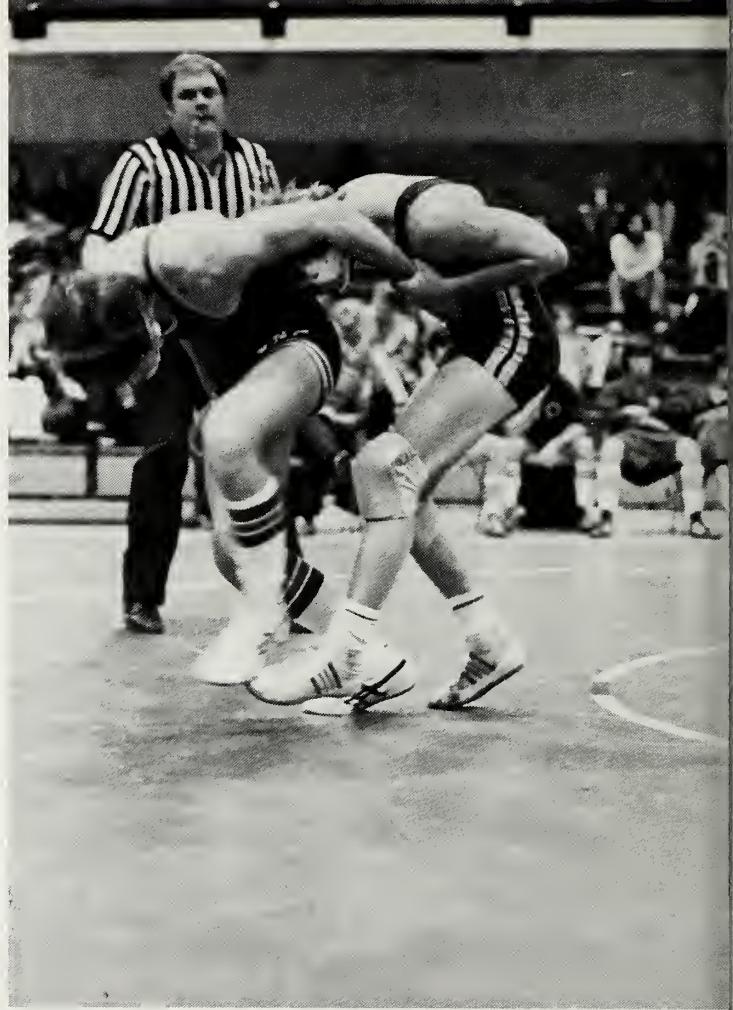

At the NAIA District meet held at River Forest, Illinois Tony Fightmaster and Rick Tripp placed first with Mark Krusinski placing second and Chris Nugent and Steve Radford placing third.

The NCCAA Regionals held in Huntington, Indiana earned ONC a first place for the team and titled Rick Tripp, Chris Nugent and Mark Krusinski first place Champions.

One of the largest problems in 77-78 was that two dual meets and three tournaments were cancelled due to snow, including the Tiger Invitational.

The highlight of the season had to be the hosting of the NCCAA National meet on ONC's campus. More exciting was the fact that ONC's grapplers, a young team but full of potential and willpower, placed fifth with Tony Fightmaster placing fourth, Chris Nugent third, Rick Tripp second and Mark "Krunch" Krusinski sweeping away the heavyweight championship with a pin.

None of the ONC grapplers will be graduating so along with some strong recruits hopes of a National Championship in 78-79 are not mere dreams but obtainable goals. Get'em Tigers!

Most Unusual Season in O.N.C. History

Even though the Tiger baseball team finished the season with a 15-14 record, an improvement over their 13-16 record in 1976, the 1977 spring season may well be considered the most unusual year in O.N.C. baseball history. The team was plagued by the most injuries of any season since baseball came to Olivet. Starting with potentially the best team ever, the Tigers finished the season with only four of the original starting lineup. Coach Watson summed it all up by remarking frequently, "If anything can go wrong, it will!"

Despite the catastrophes which seemed to overpower the Tiger season, a team pitching record was set for the lowest ERA (2.39), breaking the 1971 record of 2.51. Mike Grace, third baseman, was voted Most Valuable Player by his teammates, holding the season's highest batting average of .281.

In conference play, Olivet tied Rockford College for second place in the Northern Illinois Intercollegiate Conference. In tournament play, the Tigers finished third in the King Christian College Tournament in Boca Raton, Florida on their spring training trip, which also serves as a time of musical ministry for the team as a choir.

The team is looking forward to a more successful season in spring 1978, relying on veteran strength and a lot of patience learned the hard way in 1977.

Growing Pains — Yes, But We Did It!

The first big year of track at Olivet was highlighted by the outstanding performance of junior Randy Smith being named All American for a 6'7" high jump, and sophomore Ray Hines, breaking all O.N.C. sprint records. Hines, who scored the most team points and ran a 9.9 second 100 yard dash, was voted Most Valuable Player.

The '77 team vaulted from eight in '76 to its present membership of 25, finishing second behind I.B.C. in the conference championships.

Missing fourth by one point and only inches, the '77 team placed fifth in the NCCAA.

A first this season was the arrival of indoor track on O.N.C.'s campus, placing third in districts with only eight runners.

Despite the handicap of no home track, the team is looking forward to the '78 season and a conference championship.

C. The all too often frustration of golf!

D. King, M. Montgomery (MVP). Coach Morrison, M. Czap. NOT PICTURED: D. Welton.

Olivet's golf team, coached by Jim Stocks, won the NIIC championship for the last two years. However, the golf team lost most of its starters. The only returning lettermen were Kevin Folsom and Don Ling. While Don led our team as medalists, the Tigers' golf record was not up to par. Olivet finished fourth in the NIIC, behind Rockford, IBC, and Aurora.

Olivet's Thinclads seemingly had a rough season in 1977-78. Out of ten runners last year, four graduated and only one of the remaining lettermen, Don Welton, returned. Each meet presented the ever present problem of getting together five runners. However, Mark Montgomery, noted as being the best Freshman Cross Country runner ever at ONC, seemed to come through with added strength. Even though the record at season's end was 2-10, Mark Montgomery had placed fourth at the Spartan Invitational with a time of 21.24, an eighth place at the Conference meet (27.18), and went to the NAIA National meet in Kenosha, Wisconsin placing 260th out of 500 with a time of 27.10.

Even though this is the last season for Cross Country at ONC, due to the promoting of Soccer to an intercollegiate sport, we will not lose the talent of these runners, for as it stands, all will be a strengthening part of the ONC 1978 Track program. Thanks guys for remembering that, "When the going gets tough — the tough get going."

Tennis at Olivet seems to come slowly at first each year but by season's end, both the men's and women's teams are a close-knit group that finish out the season strong.

The 77-78 men's team had two returning men while the women's team had one returning member, Trish Littleton.

The women had a 0-5 season record this fall while the men were looking forward to a strong spring season at production time.

Tennis at ONC is young but not fruitless, for both teams are gaining very valuable experience.

Finishing with an 8-5 record, women's basketball promises to be an exciting sport in 1978-79. The team will lose by graduation senior high scorer, Tammy Adler, who scored 16 points per game followed by senior Kathy Kendall (10) who also led the team in rebounding. Also graduating will be Jane Hussong and Cheryl Doty.

The 1977-78 season started off slow, but the women ended very strong winning their last seven games. This season was also the first year that ONC's women played out of state, playing a sister Nazarene school (MVNC).

Coach Doenges attributed their success to the balance of the team. Next year shows great possibilities, and more height would help the team considerably.

The O.N.C. girl's softball team certainly earned the title of Tigresses, finishing the 1977 spring season with a 10-3 record. This was a much needed improvement over the previous year's disappointment of 4-5.

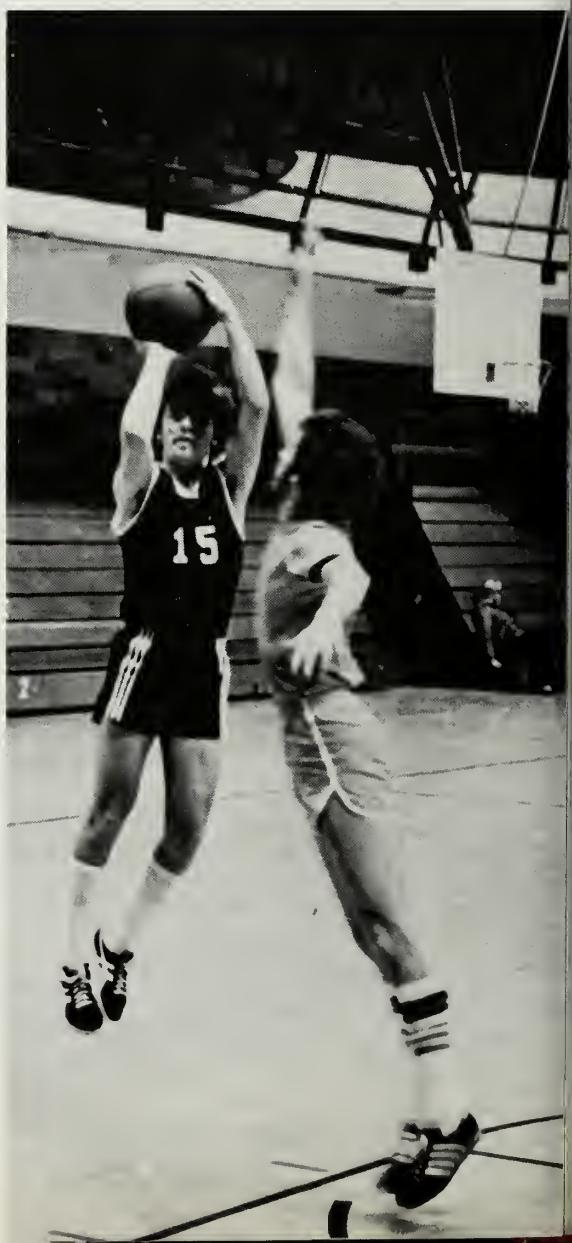

The pitching staff featured the combined efforts of Tammy Adler and Cheryl Eller, who lead the team in steals (22) and home runs (4). Sue Garbo, C. Fielder, was voted the most valuable player for the '77 spring season.

With veteran strength and experience, losing only Paula White, shortstop, to graduation, the 1978 team looks ahead to a great year, continuing in the Olivet tradition.

Paper, pens, pictures, and pressure are all part of putting together a yearbook. This year the Aurora Staff has endeavored to create a book in which life at Olivet would be portrayed to its fullest. Through two major divisions of the book, we have depicted the people that make Olivet unique and the year which represents the activities, worship and common interests of our society.

Spiritual Life

A

B

The main objective of ONC's Spiritual Life program is to stimulate each student to his or her greatest spiritual potential. One of the best means of spiritual growth is to provide opportunities for students to share their faith. As these students — you — share experience, you develop and grow spiritually stronger. Spiritual Life also stimulates spiritual growth on campus by sponsoring a Spiritual Growth Week each semester, promoting revivals, and having prayer meetings on campus.

Campus Ministry

Campus Ministry is the result of coordinating dorm ministry through the four class chaplains to effect a spiritual in-reach program. Chaplains on each floor of the residence halls organize Bible studies and prayer groups.

The purpose of this committee is to further the spiritual growth of all resident students whether or not they are involved in an out-reach program.

Media Ministries

B

Media Ministries, now in its third year, is an exciting division of Spiritual Life. Our goal is to present Christ through Christian drama. Evangelists

Evangelists is the outstretched arm of Spiritual Life that ministers primarily to the forgotten people of our society. An evangelist takes time every week to share with someone, to give of himself to make someone else happier. Whether it is going to one of the four nursing homes every Sunday afternoon, or sharing Christ with young men at the county jail early Sunday mornings, "Evangelists" means sharing the love of Jesus Christ with a hungry and needy world. Evangelists also ministers to the mentally ill, to small children, and to teenagers in a correctional institution. An organization like Evangelists can only be as effective as its members.

A few outstanding leaders are: Don Barr, Joanne Boddy, Julie Brandt, Gloria Davidson, Dawn Funk, Rebecca Keys, Lori Manning, Julie Marshall, Lynda Skinner, Jess Soulia and Teri Webster.

Glimmerglass

Why does the Glimmerglass exist? First, it provides timely news about Olivet's events. Events of all types are reported, including classes, extracurricular activities of (general interest and humorous) seminars, speakers, concerts, and spiritual events. Second, the Glimmerglass makes available a channel for the creativity of writers and student journalists who can have a meaningful learning experience in journalism and news reporting, paper layout, editing techniques, and many other newspaper skills. Third, it will be a part of the developing communication major here at Olivet. Fourth, it serves other secondary functions, such as giving free coupons redeemable at local businesses.

WRA and MRA

The Women's Residence Association had another successful year under the direction of Carol Keener and the WRA council. The year started off with a Big Sis — Little Sis party, continued through Twirp Week, and was topped off by many other well-planned activities, such as fashion shows and the Queen's coronation.

The Men's Residence Association provides many various social activities for the Olivet students. Donkey Basketball, a canoe trip, and the Imperials are just a few of the events sponsored by president Warren Metcalf and his MRA council.

Treble Clef

A

Treble Clef, Olivet's female chorus, directed by Professor Joe Noble, has kept busy this year with a fall tour to Southern Illinois, a Christmas party in Chicago, and singing in **Elijah**. They also traveled to Washington, D.C. during the spring. One should note that the glow from this choir is even reflected in their piano.

Vikings

The Viking Male Chorus, under the direction of Professor Curtis K. Brady, continued its tradition of excellence this year. The highlight of the year's activities was a four week trip to Florida and the Bahamas. The men not only sang, but did carpentry work on some interior furniture for one of the churches in Nassau. The Lord blessed their ministry in the Bahamas and in Florida as well. The Vikings had the opportunity to sing in many different and exciting situations: a Bahamian primary school, a Haitian wedding, Disney World, for the President of the Bahamian Senate, the Haitian and American Ambassadors, people in an airport terminal, and various non-Nazarene churches. It was an educational, fun, and growing experience for everyone involved.

In addition to their tours in the educational zone, the Vikings recorded an album at Pinebrook Studios in Alexandria, Indiana. Olivet can be truly proud of the achievements of these outstanding young men.

Orpheus and Concert Singers

Orpheus Choir has long been a standard of musical excellence here at Olivet, under the capable direction of Dr. George Dunbar. The choir again made their Variety Show a highlight of the fall semester, with such show-stoppers as Elvis, wacky news, and hilarious musical numbers. They toured throughout Illinois and Michigan, along with a special trip to Mexico during the spring. While in Mexico, the choir was featured on National television.

Along with an informal outdoor concert in October and a Homecoming concert, the band was invited to play for a church dedication in Three Rivers, Michigan. They also made a recording during the spring at Pinebrook's Studio in Alexandria. Other sponsored activities by the band included the Navy Band, the Hawaiians, and a Spring Banquet.

Representing Olivet

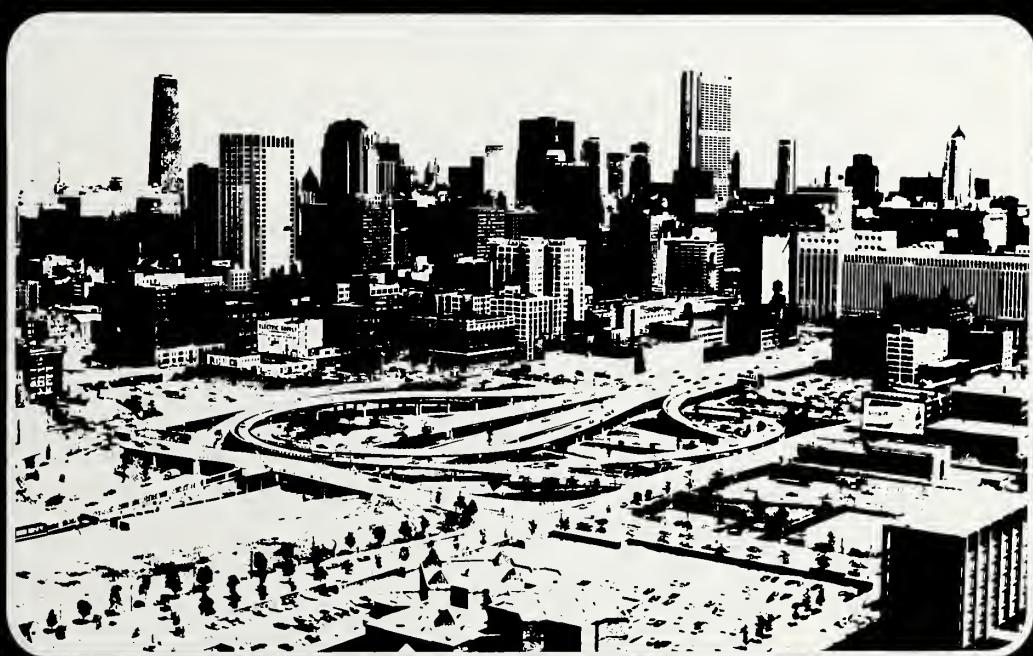

The Son Sent Trio, Joy Unlimited, Churchmen Quartet and the Spokesmen traveled throughout the year to many churches on the Educational Zone to represent Olivet Nazarene College. Their ministry to share Christ included a combination of contemporary, gospel, and sacred hymns. The groups sang in churches every weekend, often participating in local revivals and summer youth camps.

College Church of the Nazarene

College Church

College Church reaffirms the love, grace, and purpose of God. It is our desire to draw the students, and faculty alike, into our fellowship through the emphasis on the word of God with all the spiritual dimension it provides.

We at College Church are also endeavoring to provide spiritual leadership in our community through our television, radio, and Y-E-S — H-O-P-E ministries.

Pastor Bill Draper, his staff, and lay leaders seek new avenues of ministry to more effectively tell the ageless message of Jesus Christ. Hand in hand with Olivet, the church contributes to the development of men and women who will provide leadership for the church and the nation.

THE BUILDER

An old man going along the way came at the evening cold and gray to a chasm, vast and deep and wide. The old man crossed in the twilight dim the solemn stream had no fears for him but he turned when safe on the other side and built a bridge to span the tide.

Good friend, said a fellow traveler near you're wasting your time by building here you never again will pass this way your journey is done at the close of the day you have safely crossed to the other side why build a bridge at even tide.

The traveler lifted his old gray head good friend in the path I have come, he said there followed after me today a youth who too must pass this way the stream which was as naught to me to the fair-haired youth might a pitfall be he too must cross in the twilight dim good friend, I'm building this bridge for him.

In Closing

In closing this, my second, I can't help but review all the various emotions that came in editing this book. Through it all, I would have to admit my appreciation to the student body for allowing me the privilege of serving you in this capacity. If I were to pull out one thing that I feel this experience gave me and was needed most, it would be strength of character. If you haven't read the scripture I chose, you ought to for there lies the Source and inspiration for that strength.

With all that goes into making a book, I have relied on and appreciated much my staff that has helped me. Special thanks go to Bonnie Greene and Brandy who made sure they were there when needed and let me know that I was still needed. We all owe a lot to Taylor Publishing Company and their representative Corey Mundwiler (and yes, even Nancy Jones wherever she is in Dallas).

If I were to sit down and list all the thanks due to the various people, I could write another book in itself. However, I don't have the space and besides, you know and "I KNOW"! I'll never forget the friendships made and only wish that you will enjoy this 1978 AURORA.

Sincerely,

Keith Anderson
